The Moretown Athletic club defeated the Waterbury town team at the latter's home grounds Thursday afternoon in one of the close and most exciting games staged in those parts this year.

In order to decide the winner two extra innings had to be played. It closed with the score standing 3 to 2 in favor of Moretown. Duba and Flynn were Moretown's battery and Newton and Towne for Waterbury. Duba struck out 17 men and allowed but four hits, while Newton struck out 10 men and was touched for five hits.

As the result of a fracas begun at the Beacon show grounds on Berlin street Wednesday evening four young men, Homer Blair of Montpelier, William Geerin, Herbert Wilson and Gordon Eager of Barre were arraigned in municipal court yesterday afternoon to answer to a breach of peace charge. They pleaded guilty to having beaten up Louis Phillips, or Luigi Phillipino, as he is known by some. All were fined \$5, with costs of \$7.55, except in Eager's case, which were \$6.35. Another young man, Bernard Starr, is alleged to have been implicated in the affair and will be brought into court later. Phillips is alleged to have double-crossed these young men at games at the carnival, though he emphatically denied it.

"Jake" Louis Jacques, the stone crusher, met the "Bons Brasher," Joe Shimkus, last night at Berlin street in a ten-minute wrestling match in which there was no fall. The match was a little different from the usual methods that has been used since this series began, that is, the Greek-Roman was employed, using only the hands and upper part of the body, excluding the use of the feet and legs in the actual wrestling. "Jake" stayed with him the set time of ten minutes and earned the dollar per minute, both showing a fine exhibition of strength and of science. Ernest Stacy, the little French bear-cat, met the bone-crusher in the next bout and fought with him for seven minutes as it was agreed, and received the \$10 for the fun they produced the audience. "Bear Cat" is a short thick and stout stone polisher and is possessed of a fine physique with about 180 pounds to him. He is a fast man on the mat. "Jake" says he is confident that he can put Joe on his back twice out of three bouts, such as is arranged for to-night. The winner takes all the gate receipts of that show.

### MORETOWN

Thrilling Ball Game Won from Waterbury, 3-2; Duba Pitched Well.

Moretown A. C. defeated Waterbury in a thrilling game at Waterbury Thursday afternoon by the score of 3 to 2 in one of the fastest games seen in or about Waterbury for some time. Both pitchers twirled the game of the season, several times finding themselves in bad holes, but managing to pull through with all kinds of benders and speed. Duba had the better of the argument by fanning 16 and allowing only four hits, while Newton fanned seven and allowed five hits. Several sensational catches were made by both sides. Newton and Maiden saved the game for Moretown by pulling down two hot liners, while Eagan of Waterbury easily carried off honors for his team. Granai carried off the besting honors for Moretown, while Eagan started for his team once more. The game was one interesting game to watch, the features being too numerous to mention, and all the fans left the field contented over such an excellent game of ball. This makes Moretown's fifth straight game. The lineup:

Waterbury A. C.		Moretown A. C.	
	ab r h po a e		ab r h po a e
Robinson	5 0 0 16 1 1	P. Flynn	5 1 0 16 0 0

\*Laird entered game in fifth. Summary: Two-base hits, Newton, Towne, Eagan; stolen bases, Laird, Towne; struck out, by Duba 16, by Newton 7; base on balls, off Duba 2, off Newton 3; hit by pitcher, Slayton 2; umpires, Dr. Rublee and Wilcox; scorer, Turner.

Also Defeated Waterbury Center. Moretown A. C. romped away once more with the bacon by defeating Waterbury Center yesterday by the score of 3 to 0. At no time did the Center come close to scoring. The game was featured by sharp fielding on both sides. The Pape brothers seemed to be there on hot liners, while their team were also as consistent. The Moretown players seemed to be the same steady players that Coach Maiden whipped into shape at Montpelier seminary. Much credit is due Coach Maiden for his excellent coaching. His services were very much appreciated. He is excellent "Barre stock, fine grain" and thorough in his coaching. G. Dow started the game but could not finish, due to a sore arm. O'Brien replaced him in the sixth inning. Both pitchers were hit freely but sharp fielding by their teammates saved them from further trouble. Granai twirled in the same old way. Laird's big clout into the coal heap with three on bases featured the hitting. Due to ground rules, he was allowed only two bases on it. Coach Maiden was misjudged very much at his second station and his hitting ability will be missed. While in action Maiden tamed the horsehide for 450. The lineup:

Moretown A. C.		Waterbury Center A. C.

### Faces Great Responsibilities.

The treaty is only one of the issues involved in the broader question of leadership. While Mr. Wilson has been away, leadership in government has ceased. Those who hoped that a Republican Congress would grapple intelligently with the complicated problems of reconstruction have been grievously disappointed. The 66th Congress has already shown itself bankrupt in everything except partisanship. It has been eager and alert in its efforts to embarrass the president, but it has shown no grasp whatever of the business of reconstruction legislation.

President Wilson must deal with that situation as well as with the peace situation. If he should fail, the country would be without leadership until March 4, 1921. In the midst of a critical economic period, with popular discontent increasing daily and unrestrained radicalism opening new fields to itself, we should have nothing in government but groups of reckless politicians gambling desperately for power and preferment.

Mr. Wilson's responsibilities were never greater than they are to-day. It is not a matter of parties or candidates or presidential issues. It is a matter of the supreme welfare of the United States and its 100,000,000 people.—New York World.
